create with passion

Here at The Hair Academy, we are very proud of our history of graduating successful students for over 61 years. Our amazing teaching staff stays on top of what is going on in the industry each season/year by going above and beyond the foundation education required to offer the latest trends and techniques available to us. For example, in addition to our regular classes we plan several events, "Boot Camps", guest speakers, field trips to salons and spas, business classes and charitable events throughout the year. We want you to be prepared to hit the professional road with both feet firmly planted for your future success!

Quite simply . . . Quality education is what we are all about! You are not just a number to us! When you graduate from The Hair Academy you will become part of our alumni FAMILY. Our alumni family is always welcomed back with open arms to attend any of our guest speaker demonstrations and school events for your continued education in this ever changing and evolving industry.
